TO ACQUIRE A ROAD.

Jamaica Avenue People Walt on Mayor Poody.

A special committee of eight members of the Jamaica Avenue Improvement Association of the Twenty-sixth Ward, Brooklyn, will call

on Mayor Boody to-morrow.

The object of the Committee is to talk over with the Mayor, Corporation Counsel and Comptroller the best way of acquiring and improving that part of the old Jamaica turn-pike running through the Twenty-sixth ward. The read is now practically in the hands of the Brooklyn and Jamaica Road Company.

Alaw was passed last Winter giving the city the right to take control of that part of the road within the city fluits.

GOODWIN HAS GOOD FRIENDS.

They Are Working to Have Him Made Brooklyn's Assistant Appraiser. The friends of Richard Goodwin, of 44 Palmetto street, Brooklyn, are very anxious that he should receive the appointment of Assistant Appraiser. The office is a new one and will be filled this work. Mr. Goodwin is one of the prominent real estate dealers in the city. He is not a very active positician, but is nevertheless one of the best known men in his district and has considerable influence. A large delegation of his trients visited Mayor Boody last week to press his claims.

BORED INTO HIS LEG.

Peculiar Celestial Phenomenon

WHAT DID THEY SEE?

Which Lasted About an Hour. A peculiar phenomenon in the sky visiole at this place on the night of May 18 for about an hour, says the Scattle Post. Intelligencer, lasting from about 9.30 to 10.30, has excited the curiosity of the few who witnessed it. We have seen nothing like it before. It presented a similar appearance to the aurora boreaus, but

should at least be considered.

Further delay on the part of the Commissioners will only tend to increase this feeling of impatience.

Said a well-known property-owner who lives near the park to an Evening World was affected by the large currents and eddless usually exhibited by low-hanging clouds in the neighborhood of the gaps of the mountains directly to the East.

The cloud, reflection or whatever else the strange, white planomenon was any continuity who have paid our apportionment for the permanent excepsion and improvement of this park. Unless some little attention is paid to us by the Board we propose to get in a manner that will satisfy the Park to minissioners that we mean business." column in question contained no bright colors; it was merely a dead cold white-
